PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Co. Agent Mounts Tells Of Men's Garden Club

M. U. Mounts of Weest Palm Beach, County agricultural agent, was guest speaker at a dinner meeting of the Pahokee-Canal Point Garden Club held Tuesday night in the County Park community building at Canal Point, with Mrs. Frank Friend, president, presiding.

Introduced by Mrs. C. L. Shirley, the speaker gave a talk on "Men's Garden Clubs", pointing out that such clubs have become widespread in the past few years and there are now both state and national federations of men's garden clubs to direct the activities of these groups. As an illustration of the good a men's garden club can do in the community he told of the activities of the Men's Garden Club in West Palm Beach which assists the women club groups in staging the annual flower show in that city, sponsors exhibits in out-of-town shows, sponsors community betterment projects such as beautifying local school grounds and meets regularly once a month for an exchange of new gardening ideas between members. He attributed 70 per cent of the improvement in community appearance and beautification to the influence of garden clubs.

Mrs. Friend asked all members to join the movement to get action from the city council regarding the cleaning up of vacant lots overgrown with unsightly weeds. She also urged the planting of more palms, flowering trees, shrubs and flowers in the constant striving for a more beautiful community.

Announcement was made by Mrs. Leo Maxwell of the club's flower sale on Nov. 20-21. The Flower Show Judging School, course two, to be held at the First Baptist Church in Belle Glade, Oct. 13-14 was also announced. Mrs. Ivan Van Horne of Belle Glade, district official, and Mrs. Jones, president of the Belle Glade Garden Club, were introduced as guests.

Two Kilgore motion pictures on "Roses" and "The Mystery of Plant Life" were shown at the meeting, with Bill Acree, Darrel Davis and M. Herring in charge.

Mrs. G. Lawton Sims, hospitality chairman, was in charge of dinner arrangements. She was assisted by Mrs. G. C. McIlarty, Mrs. E. C. Watson, Mrs. Olaf Boe and Mrs. Don Kepp.

Farm Bureau Day Is Set For Glades

October 1, has been officially declared as "Farm Bureau Day" in the Glades, according to announcement made this week by J. F. Waddell of Pahokee, membership chairman of the Everglades Farm Bureau.

Farm leaders representing every community in the Glades have been personally invited to attend a membership kick-off breakfast to be held at Bell's Restaurant in Belle Glade, Wednesday morning, Oct. 1, at 7 o'clock. H. L. Speer, assistant county agent will be the speaker.

Key West Invades Lair Field Tonite

The Pahokee Blue Devils are all set to meet the Key West Conchs on Lair Field here tonight in their first home game of the season and local fans hope they will be on the rebound from the 20 to 0 defeat they suffered from the Clewiston Tigers in the opener at Clewiston Friday night.

This will be the second year the Blue Devils and the Conchs have met on the gridiron. The local team will be out to avenge the 19-6 loss handed them by the Conchs last year.

In practice sessions this week it was evident Coach Webb Pell is feeling the loss of Halfback Buford Justice, who showed up as the most promising ball carrier on squad in preseason practice and who has been dropped from the team because of technical ineptitude. Webb has given the nod to George Mills to replace Justice at left half. He has also made a slight change in the line, expecting to start Leland Becton instead of Gordon Hoyle at right guard.

So far this season Pell has been concentrating on ground plays, unable as yet to find a reliable passing combination on team. In scrimmage this week he warned his men against the running of the Conch backs Geo Pineda, L. Gonzalez and Harold Solomon and the Pinda-Gonzalez passing attacks, these being responsible for Key West's 18-0 victory over Gesu of Miami in their opener at home last week.

Pell says his men are in good condition and promises local fans they will see in the Blue Devils, who still have a slightly green cast, hard working, fighting team, win, lose or draw. Kickoff is at 8:15.

Gants Open New Texaco Drive-In

The Texaco Drive-In under the management of Mr. and Mrs. Albert Gant will be open for business today. The Drive-In is located next door to the Texaco Service Station in Pahokee which is just across the street from the Prince theatre.

Regular meals and short orders will be served, the Gants said, and they extend a cordial invitation to all their friends to visit their new place. The new cafe is air conditioned and has new and modern equipment throughout.

Singers Will Meet

The Glades Singing Convention will hold its regular fourth Sunday sing at the Church of God of Prophecy located on Canal Point road at 2:00 p. m. Sunday afternoon. President Elmer Upthegrove extends an invitation to all to attend. Special singers, quartets and trios from the coast have been invited to attend, Mr. Upthegrove said.

Funeral Services For Pat Schoeppel

Funeral services for John Clarence (Pat) Schoeppel, 43, were held at the First Baptist Church in Pahokee at 10 a. m. on Thursday of this week, with the Rev. W. Hal Hunter, pastor, officiating.

Mr. Schoeppel, a resident of Pahokee for the past 19 years, died at the Everglades Memorial Hospital Monday at 12:30 a. m. He had not been feeling well for some time but no one suspected the seriousness of his illness and his passing came as a shock to the community. He had entered the hospital for treatment on Wednesday last week.

A native of Milwaukee, Wis., he came to Pahokee in 1933 and has been employed as head mechanic in charge of the repairs department at Elliotts Motors in Pahokee since 1935. He was a member of the Pahokee BPOE Lodge 1638 and the Pahokee First Baptist Church.

He is survived by his wife, Mildred; one daughter, Miss Gay Schoeppel, and one son, Jimmy, all of Pahokee; one brother, Edd of Belle Glade; two sisters, Mrs. Josephine Willis and Mrs. Mary Stryczek, both of Milwaukee, and his father, Frank C. Schoeppel, also of Milwaukee.

Burial was at the Port Mayaca Cemetery. Berry's Funeral Home was in charge of arrangements.

SRD Will Ask For Chosen Bridge Bids

Bids will be received by the State Road Department at its monthly meeting in Miami on Oct. 3, for a new bridge at Chosen on SR 717. Official notice of the bid advertisement has been published in the Palm Beach Post.

The concrete deck steel girder bridge will be 142 feet in length with a removable center span to replace the dilapidated wood and steel bridge now serving over the Hillsborough canal. Approaches are also in the forthcoming bid, it was pointed out by the SRD, they having been deleted along with the bridge from the original contract.

Work on SR 717 is progressing nicely and with favorable weather a great deal more rock could be put down for the road grade. A contract will be let in the future for an additional eight inch wearing surface with oil treatment for the finishing coat on the new modern highway extending from Bacom Point to Road 80 east of South Bay.

Appreciation

Members of the Pahokee High School band and Director R. O. Lampi take this opportunity to thank all the advertisers in the 1952 Foot Ball Program for the splendid way in which they cooperated with the Committee of ad solicitors. Words of thanks and appreciation are also offered the Band parents who so unselfishly gave of their time and efforts in securing the advertising for the program.

Local Postoffice Moves Into Bigger Quarters

Athletic Council Plans Year's Work

At a meeting of the Pahokee Athletic Council Tuesday night in the school auditorium plans were completed for the forthcoming foot ball season and officers were elected to carry on the council's work. Paul Rardin was re-elected as chairman of the council, R. O. Lampi was renamed treasurer and Clyde Canipe will again serve as secretary.

The council is made up of representatives of various fraternal and civic groups in Pahokee and has for many years successfully managed athletics in Pahokee high school. The council last night decided that more thought and attention should be given the junior high school athletic program and definite plans were made to purchase new playing uniforms for the youngsters who are the varsity Blue Devils of future years.

Members of the American Legion again this year will assist the Pahokee police department in policing the field during the games. In past years the Legion group has done an excellent job aiding the city officials. One definite new rule will be inaugurated this year, the council decided. Children will not be allowed to race up and down in front of the grandstands and will be kept back of the wire by police officials. It was brought out by council members that folks paying premium prices for grandstand seats are entitled to an unobstructed view of the game.

Members of the Legion will be deputized as special city policemen for the five home games on Lair Field. It will be their duty along with the regular policemen to see that the new rule is definitely carried out.

Members of the council attending the meeting were: Cecil Gray, Clyde Alley, Melvin Pugh, Hal Hunter, Emmett Holt, Dick Parrish, Clyde Canipe, R. O. Lampi, Paul Rardin.

Seeking Opposition For Supervisor

Possibility of two more candidates being placed on the general election ballot this fall was seen this week in a request from R. H. Rousseau, former county commissioner.

Rousseau appeared before the county commission this week and asked what procedure to follow to place candidates on the ballot.

Questioned by County Attorney Harry Johnston, Rousseau said the candidate would be for the office of county supervisor of registration.

He charged that there is a tendency to scratch the Democratic ticket and "I want to keep this a Democratic county."

Johnston said he would seek an opinion from the Attorney General for Florida on Rousseau's query.

Continued growth of the Canal Point postoffice has necessitated a move into larger quarters and this week end the office will be moved into the room formerly occupied by Andrews Grocery in the Rardin building. The new location is next door to the present location. The office will have twice as much floor space as before.

Additional mail boxes are being installed, according to Osceola Upthegrove, postmaster. He said that postal receipts and money orders issued at the Canal Point office both showed an increase of 36 percent for the first six months of 1952 totaled \$3,883.16 compared to \$2,855.89 during the same period in 1951. Money orders issued this year through Jun 30 totaled \$94,711.49 compared to \$69,601.22 during the same period last year.

The new location has been thoroughly renovated. New wiring has been installed throughout the building, a new coat of paint has been put on, new screen and new doors make the office an attractive one.

Gene Buchanan Is President Of FFA

Eugene Buchanan was elected president of the Pahokee Chapter, Future Farmers of America, at the first meeting of the school year held in the agricultural building at the high school last week to reorganize the chapter for the coming year.

Other new officers chosen for the year were Jimmy Usher, vice president; Darrel Davis, secretary; Tommy Elliott, treasurer; O. G. Ryals, reporter and Roy Spooner, sergeant-at-arms. Richard L. Brooks, chapter advisor, was present at the meeting to assist with the reorganization of the group.

Alfred Meeks, retiring chapter president and a vice president of the State FFA organization, gave a talk on his trip to Washington, D. C., this summer. The group voted to make Meeks, who has enrolled for the fall semester at Florida Southern College, Lakeland, an honorary member of the chapter while he is attending college.

The new president briefly outlined tentative chapter plans and goals for the coming year and named Tommy Elliott, O. G. Herring, Holten Herring and Edwin Stuart on a committee to make arrangements for the annual initiation of the new greenhorn members into the chapter.

Ray Hawk Opens Ice Cream Service

Ray Hawk's Service Station in Canal Point is in the ice cream business in a big way. Ray has five kinds of ice cream delicacies that sell for five cents and many other items that sell for 10c, 15c and 30c. A new ice cream cabinet was installed this week.

Time To Step Out

(From The Palm Beach Post)

Once again the assessed value of taxable property in the State of Florida has hit a new high of over \$3 billion, showing a gain of \$195 million over 1951. Of this total, Palm Beach County's portion is \$157 million, placing the county sixth in the State, its total exceeded only by Dade, Pinellas, Duval, Hillsborough and Broward.

Perhaps it comes as somewhat of a surprise to find Broward County ahead of Palm Beach County in assessed valuations, but that appears to be the case. We simply are being forced to realize that Ft. Lauderdale, Pompano, Deerfield, Hollywood and Dania are growing faster than we are here in the Palm Beaches and the Glades and lower coastal areas. It's an accomplished fact, and we may as well face it, and start to DO something about it.

In the report of Comptroller C. M. Gay it appears that with two counties of the 67 missing, only two counties, Gadsden and DeSoto, showed a decrease in assessed valuation.

The State's total of \$3,184,000,000 is minus almost \$1½ billion in homestead exemption and those for religious, educational and charitable institutions.

We feel that, for the most part, Florida as a whole is showing a phenomenal growth in both population and property. But we do believe that Palm Beach County should be higher on the list in both.

However, any increase is strictly up to the Chambers of Commerce, and RDB group and the several municipalities of the county, and we trust they will get busy and make moves that eventually will elevate Palm Beach County to the eminent place in which it rightfully belongs in the State's population and wealth columns.

New Mower Bought For Pahokee Airport

Several equipment bids—including a new tractor and mower for Pahokee Airport—were being considered by the county commission this week. The bids, which included prices on a truck crane; truck cab and chassis, a power unit for a dragline and the tractor-mower unit, were received by the commission Monday and referred to County Engineer J. M. Boyd for study.

The airport mower, at the suggestion of Commissioner Paul Rardin, will not be purchased until after the various pieces of equipment have been demonstrated on the airport.

The commission this week also adopted a motion that continued efforts be made to get bids for construction of four Everglades bridges.

Commissioner Lake Lytal said that the county had done all that was necessary to get the projects in order for a call for bids. An early call for bids has been promised by the State Road Department, the commission reported this week.

Other actions by the board included: Received a proposal from a Lake Worth couple seeking the use of county lands in that area for bridal trails for a riding academy for children. The proposal was referred to County Engineer Boyd for study.

Made plans to confer with CAA officials in an attempt to secure federal funds for airport work in the county.

Awarded a contract for construction of a comfort station at Phipps Ocean Park to T. H. Gilson and a contract for operation of a snack bar and news stand at International Airport terminal to Howard Johnson, Inc.

Changed the board's meeting days next month to October 14 and Oct. 27 to avoid conflict with the Columbus Day holiday and a State County Officials meeting at St. Petersburg.

Savings like this

Machines like this enable Southern Bell to salvage about three million feet of copper wire a year by splicing left-over lengths together and re-insulating the joints.

MEAN SAVINGS

ALL ALONG THE LINE

Saving every usable bit of wire, each pound of lead, aluminum and steel that can be salvaged for re-use, is just one of many ways Southern Bell keeps down the cost of telephone service.

Making every practical economy, working our facilities to the utmost and constantly improving our methods and equipment help keep telephone service one of today's best bargains. Day and night, a well-trained, capable and courteous team of telephone folks is working to provide good service at the lowest possible cost . . . for National Defense, for industry, and for you. — Southern Bell Telephone and Telegraph Company.

Telephone service takes a smaller part of the family budget than it did ten years ago . . . and most subscribers can call twice as many people.

Best Possible Service . . . Lowest Possible Cost

100 PCT. PTA

Mrs. Myrtle Brooks first grade group of 27 pupils with the first room at Pahokee Schools to attain the goal of 100 per cent membership of parents of all pupils in the Parent-Teacher Association, the group reaching this goal 12 days after the start of school, according to Mrs. Doris Sasser, PTA president.

This room and all other rooms reporting 100 per cent PTA membership will receive a \$10 cash award, the \$5 presented by PTA to be matched by Mrs. Sasser. In addition the "100 per cent" rooms will display attractive membership posters designed by Mrs. Henry Earwood's art class at the high school.

The Pahokee PTA has 386 paid-up members to date, according to Mrs. Don Hall, membership chairman.

R. J. SIMONSON BETTER

A card from Rotarian R. J. Simonson this week says that he "is

coming back" to Pahokee soon following an operation in West Palm Beach. His many friends will be glad to know that R. J. is on the mend.

Canal Point Lions Have 2 New Members

Sgt. Dave Fugett, USAF, who is stationed with the Air Rescue Squadron at Canal Point, and Robert Crandall, teacher at the Canal Point School, were received as new members of the Canal Point Lions Club at the regular dinner meeting Monday night.

The Rev. James R. Roy, program chairman, introduced as guest speakers the three football coaches of Pahokee High School: Webb Pell, Senior High head coach; Bill Howard, Senior High line coach, and Leland Keene, Junior High coach. Each of the coaches spoke briefly of their work in training youth in the field of organized sports.

Pahokee Baptist Revival Oct. 5-12

Preparations for a revival at the Pahokee First Baptist Church, Oct. 5-12, have been announced by the Rev. W. Hal Hunter.

Evangelist for that revival will be the Rev. Tom Collins of the North Jacksonville Baptist Church and the song leader, Russell Oldham of the First Baptist Church in Lake Wales.

There will be a series of cottage prayer meetings at homes of church members next week prior to the start of the revival. On Monday evening Elmer Jones will be the spiritual leader at a prayer meeting at the home of Mr. and Mrs. Paul Watson; C. R. Wroten, leader, at the home of Mr. and Mrs. Gene Fallaw, and Miss Elizabeth Caraway, leader at the home of Mr. and Mrs. Wiley Tillie. Tuesday night M. P. Stanley will be leader at the home of Mr. and Mrs. T. W. Knight; Ralph Grimes, leader, at the home of Mr. and Mrs. Joel Brown; W. V. Unwin, leader, at the home of the Rev. and Mrs. Hal W. Hunter. Thursday night H. L. Speer will be leader at the home of Mr. and Mrs. Gene Butler; Paul Tillery, leader, at the home of Mrs. Ora Powell, and Horace Unwin, leader, at the home of Mr. and Mrs. Frank Thompson.

More Street Lights

The Pahokee City Council at a meeting Monday night voted to authorize the Florida Power and Light Company to extend the street lighting system on Bacom Point Road to the city limits.

The lights now extend on Bacom Point Road 1.6 miles, ending in front of the R. G. Johnson residence. The new extension will require an additional mile of light installations by the FP&L, ending at the bridge just beyond the H. J. Anderson residence.

It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

"DEAD LAKES" DUE TO HYACINTHS
B. HENKEL

WATER HYACINTHS HAVE RUINED MANY LAKES IN FLORIDA OUT OF THE NEARLY 2,500,000 ACRES OF POTENTIALLY FISHABLE FRESH WATER, MORE THAN 250,000 HAVE BEEN DAMAGED OR RUINED BY THIS FLOWER. THIS WEED HAS INCHED ITSELF INTO MORE THAN 55 COUNTIES AND HAS SPREAD ITS TENACLES INTO ALMOST 600 OF OUR 1,500 STREAMS. EXPERTS ESTIMATE THAT THIS SWEEPING SCOURGE COSTS FLORIDA \$10,000,000 ANNUALLY IN FISHING AND HUNTING OPPORTUNITIES, GAME AND FRESH WATER FISH COMM.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

More rigid requirements for qualification for welfare aid within the State of Florida will be proposed by the County Commission when the State Association of County Commissioners meets at St. Petersburg next month.

The county commission Monday, on a motion by Commissioner Lak Lytal, adopted a resolution providing that in order to qualify for welfare aid, applicants must first be a resident of the state for a minimum of three years and of the county in which they are making application for aid a minimum of one year.

Lytal said that this policy should be adopted on a state wide basis and would allow counties a better opportunity to handle welfare cases. The resident limitations, the resolution said, would not affect the handling of emergency cases which would be treated on the same basis that is in effect under the present system.

The Palm Beach County resolution will be submitted for adoption at the state meeting, the commission said.

Also slated to be brought before the state officials group by local commissioners, is the subject of

road construction in new subdivisions. Commission Chairman Kenneth Foster said that the present practice of developers in building narrow and poorly constructed streets leaves new subdivision residents without thoroughfares after a short time. It then becomes a county problem in which the commission is limited in trying to work out adequate street and drainage facilities for the subdivisions. Lack of funds to finance special sub division road programs, is the prime difficulty faced by the commission, Chairman Foster said.

Sets New Dates

The county commission this week set new dates for its October meetings to avoid conflict with other activities on the regular meeting dates. The October 13 meetings was set for Oct. 14 because of the Columbus Day holiday and the Oct. 27 meetings was set for Oct. 29 to allow the commission members an opportunity to attend a meeting of the State Association of County Officials being held at Tampa on Oct. 27.

Sorority Pledges Hospital Support

The advanced chapter of the Beta Sigma Phi Sorority voted assistance and full support of the Everglades Memorial Hospital as its chief project for the year at the first meeting of the season held at the home of Mrs. D. W. Cunningham with Mrs. Melvin Spooner, vice president, presiding in the absence of the president, Mrs. Glenn Abbing. Mrs. John A. Dulany was appointed to represent the chapter on the Everglades Memorial Hospital Auxiliary.

The group also voted to cooperate with the Parent-Teacher Association by sponsoring a booth at the PTA Halloween carnival on the night of Oct. 31. Mrs. Curtis Chase, Mrs. E. D. Sims, Jr., Mrs. I. M. Lair and Mrs. J. P. Parker were named on a committee in charge of arrangements for the booth. The chapter, organized last spring, was given the name of Xi Phi Chapter.

Mrs. T. W. Knight was appointed sunshine chairman. Mrs. J. T. Boynton was asked to investigate the possibility of the chapter sponsoring an audio-meter for children of the local elementary school. Mrs. J. G. Thomas, Jr., was granted a six-months leave of absence from the chapter.

Mrs. I. M. Lair presented the program, "Living in Your World." Mrs. D. W. Cunningham gave a reading, "There is One in Every Chapter."

If 60 percent of the Florida citrus crop this season would be squeezed into juice, it would make approximately 370,000,000 gallons, or enough juice to furnish the flow of Silver Springs for 16 hours.

MIAMI, FLORIDA

Mrs. Tripp Again Heads W C T Union

Mrs. James B. Tripp was re-elected president of the Pahokee Unit of the Woman's Christian Temperance Union at a meeting at her home. Other officers chosen for the coming year were Mrs. John Gledhill, vice president; Mrs. C. M. Todd, secretary, and Mrs. Earle Pitts, treasurer. Mrs. John Gledhill and Mrs. Leila Davis were received as new members at the meeting and C. M. Todd was made an honorary member.

In reviewing the activities of the Pahokee WCTU during its first year of organization Mrs. Tripp reported the unit had donated books and shown motion pictures at both the white and colored schools, supported the new Everglades Memorial Hospital Auxiliary, did sewing work for the hospital, visited the ill and the shut-ins, made comfort bags for the disabled veterans at the Pratt General Hospital, Coral Gables, and gave active support to the movement to have Glades liquor stores closed all day Sundays.

The group voted to conduct a WCTU Institute at the Pahokee First Methodist Church from 2 to 4 p. m., Thursday, Oct. 2. Announcement was made of the State WCTU Convention to be held at the White Temple Church in Miami Oct. 7-9. Contributions were voted to the Frances E. Willard Fund and the Mendenhall Memorial Fund.

The devotional program on "Faith" was presented by Mrs. Ruth Meredith.

Makos - Kendrick

Announcement has been made of the marriage of Miss Mary Makos, daughter of Mrs. Patricia Makos of Pahokee, to W. A. (Dub) Kendrick, former Pahokee resident now living in Waycross, Ga.

The wedding took place in Folkston, Ga., Tuesday, Aug. 19. Attendees were Mr. and Mrs. J. Kendrick and Miss Debbie Kendrick.

The bride is a graduate of Palm Beach High School, Class of 1948, and following graduation from high school, she attended Florida State University, Tallahassee, and Bell Iles Business College in West Palm Beach. For the past year she was employed in the offices of the Glades Livestock Auction Market.

Mr. Kendrick was head football coach at Pahokee High School last year. He is a graduate of Norman Park Junior College and Florida State University where he was an outstanding athlete and was voted the most valuable player on the FSU 1950 foot ball team. He is now employed as head coach at the high school in Waycross, Ga., where the couple are making their home. Kendrick is a former member of the U. S. Marine Corps, serving in the armed forces for 29 months of which 24 months were spent in overseas duty in the South Pacific.

Judge Larrimore, 86, Honored At Party

W. J. Larrimore, who has served as justice of peace in Pahokee for the past 19 years, was honored at a surprise party held at the city hall Wednesday night of last week in celebration of his 86th birthday anniversary.

Hostess for the occasion was City Clerk Dorothy Graham who had baked a special cake to go with the party ice cream. Others attending were Mrs. Graham's assistants, Dean Wilson and Miss Patsy Batchelor, Police Chief Leon Guthrie, Robert J. Schroder, Frank Thompson, H. C. Graham, Mr. and Mrs. John Dragon and Mrs. Larrimore.

Mr. Larrimore, popularly known as "Judge" to his many friends, came to Pahokee from Moore Haven in 1922 and operated a grocery store before he was elected justice of peace in 1933, holding this office ever since. He plans to retire this year.

Colored Grid Game Planned In Pahokee

Pahokee Lions at their Tuesday luncheon meeting voted to sponsor a benefit football game between Negro teams of Fort Myers and Belle Glade on Lair Field here Friday night, Nov. 21, which is an open date for the Pahokee High Blue Devils.

The club also voted to cooperate with the Parent-Teacher Association by sponsoring a booth at the annual PTA Halloween carnival for the children of the community to be held on Lair Field the night of Oct. 31. Rupert Mock and his boys and girls committee will be in charge of this project.

Guest speaker was Coach Webb Pell who explained some of the football formations being used by his Pahokee Blue Devil team this season.

Quality Market Is Now Modernized

Wade Ammons' Quality Market, located north of Canal Point, has just undergone a complete renovation job and now is one of the outstanding food markets in the Glades area. Several pieces of new and modern equipment have been added to the store, Mr. Ammons said.

A new vegetable display case, new frozen food case and a self service dairy case are the new electrical pieces recently added by Mr. Ammons. They have been located in the store where they are handiest for the shopper.

The entire store has been worked over with the thought in mind that shopper's efforts in finding groceries were made easier. An expert was called in to lay out the store for the most efficient service to the public.

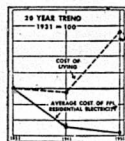

Mr. Ammons extends a cordial invitation to his many friends to visit his store and see first hand just what a modern store looks like with a full and complete line of America's finest groceries, vegetables and meats.

Old Newspaper clippings that become brittle and torn can be repaired and preserved with Scotch tape.

CHEAP INSURANCE AGAINST FLYING SAUCERS...

Do tempers fray at your house? Do you realize that the average "little woman" washes **6 tons** of dishes a year? Do you want to end it all — peacefully, hygienically... and economically? Then get her an automatic electric dishwasher now. Did you know electricity is so cheap now, that a penny will do the dishes for three meals for an average Florida family? No kidding...it's wonderful...better look into it!

ELECTRICITY DROPS AS LIVING COSTS GO UP!

In the past 20 years, the U. S. government's cost-of-living index has risen 89%. The reverse is true in electric power. Average EP&L Co. revenue per KWH for home electricity is down more than **half** for this period...convincing evidence that "Sunshine Service" is your biggest budget bargain.

DODGE "Job-Rated" TRUCKS

Bert Roemer Motors

PAHOKEE, FLORIDA

- ▶ Dodge "Job-Rated" trucks are engineered for greater maneuverability, easier parking, less driver fatigue.
- ▶ Turn in tighter circles, thanks to short wheelbase and wide front tread.
- ▶ For ease of handling, there's the improved steering wheel position, easy-acting worm-and-roller steering gear on most models.
- ▶ Driving convenience is increased by steering column gearshift on low-tonnage models with 3-speed transmission.
- ▶ Come in today for a demonstration.

Smaller turning circles! Drive a Dodge "Job-Rated" truck and find out how sharp it turns — how much easier it is to maneuver — how much time and trouble you save when you park. Take the wheel and learn about real handling ease!

Pulling power with speed! 5-speed transmission available on 2-ton and most 1½-ton models. 4-speed standard on 1½- and 2-ton; available on ½-, ¾-, and 1-ton. 3-speed Synchro-Shift standard on ½-, ¾-, and 1-ton.

Exclusive! gyrol Fluid Drive! Available on ¾-, 1-ton, and Route-Van models. Marvelously smooth, flexible performance makes driving easier. "Cushioned" power prevents shock and strain, cuts upkeep, protects your load.

Deacons Chosen By Canal Pt. Baptists

G. T. Echols, J. L. McCall, J. H.

Bordeaux and Julian Branch were

elected to the office of Deacon in

the Canal Point Baptist Church on

Sunday Sept. 21. Three of these;

Mr. Echols, Mr. McCall and Mr.

Bordeaux were re-elected after re-

maining off the board for one

year as required by the church's

rotating plan for the service of

deacons and will serve for a term

of three years. Mr. Branch will be

new in the office and will be or-

dained in a special service at the

church on Sunday night Sept. 28.

He will serve for a term of two

years.

The church also adopted a

budget as its financial program

for the year. Oct. 5 was designated

as the Every-Member-Canvass

Day at which time the members

of the church will subscribe to the

adopted budget. A big day is plan-

ned with dinner on the ground

Mrs. G. L. Sims, Mrs. A. R. Chas-

tain, Mrs. J. S. Atkins, Mrs. J. S.

Chastain and G. T. Echols were

appointed as a committee to make

the arrangements for the day.

The plans of the church for a re-

vival meeting Oct. 12 to 22 are

getting under way. Dr. J. Perry

Carter of Miami is to do the

preaching for the revival.

New Pastor Church of God, Barfield Hwy.

The Rev. F. R. Daniels, formerly

of Bristol, Fla., has answered a

call to serve as pastor of the

Church of God on Barfield High-

way, Pahokee.

The Rev. Daniels succeeds the

Rev. James Miller, who with Mrs.

Miller, has moved to New Smyrna

Beach where he is now pastor of

the Church of God in that city.

The Rev. and Mrs. Daniels and

three children, Felton, Carolyn

and Lamar, have moved in the

Church of God parsonage on Barfield

Highway.

Week Of Prayer

A week of prayer for State mis-

sions was observed with special

programs by members of the Wom-

an's Missionary Society at the Pa-

hokee First Baptist Church Mon-

day and Tuesday afternoons.

The Fay Taylor and Helen

Hayes Circles under the direction

of Mrs. Joe Thompson presented

the service Monday afternoon and

the Lucy Jones and Lottie Moon

Circles were in charge Tuesday

afternoon.

Christian Science Group Of Canal Point

Keynote of services in all

Churches of Christ, Scientist next

Sunday is the need to recognize

as real only that which is spiritual

and God-created, Subject of the

Lesson-Sermon is "REALITY."

The Golden Text is from I

Chronicles (29:11): "Thine, O Lord

is, the greatness, and the power,

and the glory, and the victory, and

the majesty: for all that is in the

heaven and in the earth is thine;

thine is the kingdom, O Lord, and

thou art exalted as head above

all."

Bible passages include the fol-

lowing: from Psalms (111:1,7):

"Praise ye the Lord. . . The works

of his hands are verity and judg-

ment; all of his commandments

are sure."

Readings from "Science and

Health with Key to the Scriptures"

by Mary Baker Eddy include: "The

three great verities of Spirit, om-

nipotence, — Spirit possessing all

power, filling all space, constitut-

ing all Science,—contradict for-

ever the belief that matter can be

actual" (p. 109).

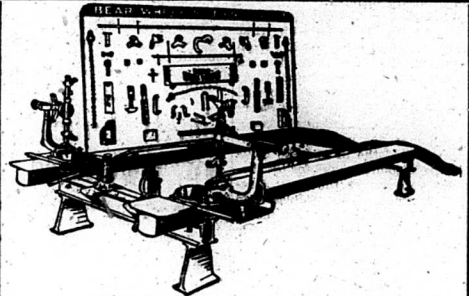

Promotion Day For Pahokee Methodist

Annual promotion day will be observed by the Sunday School of the Pahokee First Methodist Church this Sunday, Sept. 28, starting at 9:45 a. m.

Special promotion day exercises will be held in each of the children's departments at which time awards will be given for perfect attendance.

Children who are promoted from the Primary III Department to the Junior Department will re-

ceive Bibles as awards. These include Curtis Mock, Martha Sellers, Alvin Johnson, Howard Jones, David Slauter, Cheryl Cobb, Freddie Hickerson, Rudolph Vann and Carolyn Sellers.

This means more money to you!

**NOW YOUR U. S. SERIES E BONDS CAN EARN INTEREST
10 EXTRA YEARS**

ALL YOU WISE and patriotic people who bought United States Series E Bonds ten years ago and have held them can benefit by this new law! For according to this law the bonds you expected to mature finally in 1952 can now continue to earn interest every year for ten more years—till 1962—without your even lifting a finger!

To get this extra money, there's absolutely nothing you have to do. Just hold your bonds and let them go on earning!

If you wish, you may still cash any Series E Bond at any time after you've owned it for sixty days. But you'll be better off to hold your bonds, just as you're better off to hold savings in any form.

First of all, as long as you don't cash your bonds, you don't have to pay income tax on the interest they earn. In the second place, cash in the pocket melts away fast—often with little or nothing to show for it. But cash in bond savings is always there—growing steadily toward the big sum which can buy something really worthwhile. . . . And remember—the interest rate on Series E Bonds has been increased to 3% compounded semi-annually, when held to maturity.

So if you have bonds coming due, why not take advantage of your extra-income opportunity? Just sit back and let them go on mak-

ing more money for you. And meanwhile keep adding to your cash savings by buying more U. S. Defense Bonds regularly—through the Payroll Savings Plan where you work. It's the easy, systematic saving plan that's so helpful because it lets you save *before* you even draw your pay. Thousands on the Plan say it's the one sure way to save.

3 NEW MONEY-MAKING OPPORTUNITIES FOR YOU!

*New Series H, J, and K
Defense Bonds pay 2.76% to 3%!*

If you want to get the interest on your bonds in the form of current income, or if you want to invest more than the annual limit for E Bonds, ask at any Federal Reserve Bank or Branch about these new bonds:

SERIES H. A new current income bond, available in denominations of \$500 to \$10,000. Sold at par. Matures in 9 years 8 months and pays approximately 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000 maturity value. Issued only by Federal Reserve Banks and Branches and at the Treasury.

SERIES J. A new 12-year appreciation bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.76% compounded semiannually if held to maturity. Annual limit, \$200,000 issue price jointly with Series K Bonds.

SERIES K. A new 12-year current-income bond in denominations of \$500 to \$100,000. Pays interest semiannually by Treasury check at the rate of 2.76% per annum. Sold at par. Annual limit, \$200,000 issue price jointly with Series J Bonds.

**NOW EVEN BETTER!
INVEST MORE IN DEFENSE BONDS!**

PAUL RARDIN, Publisher

Home Made Rocking Bed To Ease Dr. Spooner's Pain

Dr. D. S. Spooner is being moved from Jackson Memorial Hospital, Miami, to the Everglades Memorial Hospital this week and when you drop in to visit him take a good look at his rocking bed, there is none other just like it in the world for it was manufactured in Pahokee and in record time.

"Doc" had been lying in a rocking bed at the Miami hospital for a long time, recuperating from the critical leg injury received a few weeks ago in a car accident, and he was tired of the big city and wanted to come home to his own hospital in Pahokee where friendly, familiar faces would always be close at hand. His Miami physician said he could be moved but it would be necessary for him to remain in a rocking bed and it would be impossible for the bed he had been occupying to be moved from the hospital.

The word spread, "Doc's unhappiness at the Miami hospital, he wants to come home." Dr. E. C. Johnson, who treated Dr. Spooner for his injuries before he was transferred to Miami, and Mrs. Johnson set out to get a rocking bed for "Doc" to use at the local hospital but their search was fruitless, there wasn't such a bed in the state, either for hire or sale. Meanwhile Dr. Spooner's impatience to get home was aggravating his condition.

Dr. Johnson took the problem to Louis F. Mims of Industrial Steel. After going into a huddle with Dr. Johnson over drawings and pictures of the bed, Mims and his two helpers, Oliver Staples and Ralph Sizemore, got a regular hospital bed at hand, starting from scratch, began building a "home-made" rocking bed that had to be mechanically perfect in order to be suitable for use.

Hour after hour, without pausing for meals or rest, they labored with Dr. Johnson close at hand for

consultation. When the public heard what was going on, offers of assistance came from every direction. L. J. Fraser of W. H. Vann, Inc., donated an electric motor and reduction gear box. Howard Holman also donated a gear box. Marshall Lair opened his Western Auto Supply Store at 2 a. m. to furnish necessary supplies. J. D. Watson, local electrician, worked on the wiring. Herman Kautz of Herman's Radio furnished electrical supplies and supervised the installation.

Tuesday morning, 16 hours later the job was complete. Mims, under the direction of Dr. Johnson and assisted by his helpers and many well wishers, had fabricated a mechanically perfect rocking bed timed for one oscillation of 16 degrees every 59 seconds, 8 degrees above and 8 degrees below horizontal. Dr. Johnson declares it is a superior rocking bed to those made by regular manufacturers and would cost at least \$500 if one like it could have been purchased. Dr. E. J. Graham and Dr. Charles E. Creel also had high praise for the "fine workmanship" that made the bed possible.

All labor and parts that went into the making of the bed were donated in loving respect to Pahokee's beloved pioneer physician whose only thought while answering calls of patients, day or night, was service to humanity, regardless of monetary returns.

Dr. Spooner Dance Will Raise Funds

The Pahokee American Legion, Fred and Percy Mansfield Post 80, has completed activity plans to make Friday, Sept. 26, date of the first home game for the Pahokee High Blue Devil football team, "Doc Spooner Day, honoring Dr. D. S. Spooner, pioneer Pahokee physician, who was recently injured in a car accident and is reported still to be in a very serious condition.

Following the Pahokee-Key West game on Lair Field there will be a "Doc Spooner Dance" at the Legion Hall, with Art Bruian and his orchestra furnishing the music and proceeds from the three dollar per couple minimum going into the "Doc Spooner Fund" that is being raised locally to help Dr. Spooner during his illness. Perry Duke will be in charge.

Preceding the game the Legionnaires will have a public barbecue from 4 to 7 p. m. with Melvin Spooner in charge of arrangements. Tickets will be a dollar for adults and 50 cents for children. Barbecued ribs will be featured on the menu.

665 Pupils Attend Pahokee Schools

The enrollment of children at Pahokee Schools continued through the first two weeks of school, with 14 additional children enrolling since registration day, this raising the total enrollment to 665, according to Principal Clyde A. Canipe.

The peak enrollment at Pahokee schools last year totaled 595 and this year's peak is not expected to be reached until the middle of November when all migrant families will have arrived to take part in the fall harvest of Glades vegetables.

Commission has reported that advertising rates in national publications are up 60 per cent. over five years ago when the commission first began to publicize Florida. And the Commission has continued to operate on the same appropriation ever since its inception.

Births

Recent birth announcements at the Everglades Memorial Hospital, Pahokee:

Mr. and Mrs. Roy Bustin, Pahokee, a son, Larry Wayne, Sept. 23.

Mr. and Mrs. B. L. Couey, Pahokee, a son, Alvin Leon, Sept. 21. Mr. and Mrs. J. B. Barfield, Pahokee, a daughter, Patricia Ann, Sept. 21.

Mr. and Mrs. Dewitt Lee, West Palm Beach, a daughter, Sept. 18. Mr. and Mrs. James Brady, Pahokee, a son, James Alexander, Sept. 17.

More Folks Join Pahokee Boat Club

Mr. and Mrs. John T. Pickett and Frank Tillis of Pahokee and Albert and Edith Ellis of Belle Glade joined the newly organized Pahokee Boat Club at a club meeting Tuesday night in the American Legion Hall, with Perry Duke presiding in the absence of President James H. Wilson. It was announced the new club now has 97 members, 60 of whom own boats.

A draft of the club's constitution and bylaws, presented at the meeting by Ralph O. Johnson, was referred to the board of directors for study and approval.

Rep. B. Elliott reports progress is being made in the efforts to get a breakwater built at Pahokee to

When you go by **TRAIN!**

More comfort . . . plenty of room to relax and move about . . . clean washrooms and other conveniences constantly available. You can read, work or sleep enroute, entirely free from the strain and worry of highway traffic. And it's by far the safest way to travel or send members of your family.

Dodge Long Life Records

give you proof of Extra Value!

DOUBLE-channel side rails of massive strength add rigidity to the chassis. Dodge stays new longer!

Oriflow ride control is SEALED IN for the life of the shock absorbers. Smooth ride reduces wear.

TWO hydraulic cylinders in each front wheel give surer stops over more miles. Extra value is built in.

When you invest in a new car, you have a right to expect proof that the value is built in to stay. You get that proof in a Dodge. Registration records prove that by a substantial margin, Dodge automobiles have longer life than the average car. Such engineering features as the extra-rugged double-channel frame and rubber-mounted Safety-Steel body make a Dodge stand up under all driving conditions. It's the best driving investment you can make today.

Specifications and Equipment subject to change without notice.
